**RE: Snell Isle Apartments**

Please allow this letter to serve as notification that an application has been submitted to the City of St. Petersburg Development Review Commission (DRC) for a proposed private docking facility at the Snell Isle Apartments located at 1515 Eden Isle Boulevard, St. Petersburg, FL. A copy of the application and submitted site plan are enclosed with this letter.

Briefly summarized, the proposed facility will accommodate a total of 44 slips that are for the private use of the residents; there is no commercial component to the facility and there will be no public fueling facilities. In accordance with state rules, a single pump-out station will be present at the facility.

If you have any comments or questions related to this project, please contact the City of St. Petersburg Development Review Services Division at One Fourth Street North.

Sincerely

Drew E. Sanders  
Project Scientist
